

# DISTRICHRONO

An ecological alternative  
for all your *shipments*  
from *North to South-East*

BENELUX  
Belgium - Luxemburg - Netherlands

Daily one way train

Avignon

Espagne

Legend :

- > Rail
- > Road

1 Our system is articulated around our different hubs, linked on a daily basis by rail (dedicated trains Districhrono). From those sites, we organise domestic collections and deliveries by road.
